The lands are intended
for a colony for Koratans.
The Collector after an
of the lands has reported
about the progress made
by the Mission. Taking
into consideration the
several difficulties the
Mission has to face

The Collector is of opinion
that the Colony Scheme
should be considered
and that the Mission
may now be considered
to have complied with the
conditions of alienation.
The Collector's report at 692
shows that S. Nos 227-16
and 228-3A remain still
undeveloped. These
measure 5.31 acres and
4.74 acres respectively
The extent of 18.73 acres
has been alienated in the G.O.
at pp 14 to 20 of D and it
cannot be said that the
Scheme of ~~colonization~~ ^{colonization} is
complete considering that
about 10 acres still remain
undeveloped. It would
be desirable to allow
the Mission & extension
of time for two years
to complete the Scheme &
want of funds is reported
